

Commercial Workers Benefit Trust Fund

IMPORTANT ADVISORY

Attention All Eligible Full-time And Part-time Members

The Board Of Trustees is pleased to announce that expenses for dental services, incurred on or after January 1, 2017, will be reimbursed using the 2016 Ontario Dental Association (“ODA”) Suggested Fee Guide. Also effective January 1, 2017, your annual maximum (formerly \$2,000 every 2 calendar years) will be changed to \$1,000 every calendar year for ease of administration. **You will have also received a new Prescription Drug Card with this notice which reflects a change in providers and is also effective for claims incurred on or after January 1, 2017.**

This ODA Fee Guide change translates into an approximate 10% of additional coverage for you and your dependants.

If you have questions about this change or any other aspect of your plan, please contact the Administrator at:
