

Commercial Workers Benefit Trust Fund

IMPORTANT ADVISORY

Attention All Eligible Full-time And Part-time Members

Effective this year (2017), prescription drug claims will be reimbursed to a per person annual maximum of \$10,000. This change is necessary to ensure the ongoing financial health of the Plan, while still providing comprehensive benefit coverage. With the continued introduction of many new and expensive drug therapies, it has become increasingly challenging for your Plan (and many plans like it) to cover all prescription drugs, without limits.

For the few Plan Members who do require medications that exceed the \$10,000 per year maximum, additional financial assistance may be available through Ontario's Trillium Drug Plan. Inquiries regarding the Trillium Plan can be made by calling:

Telehealth Ontario Toll-free: 1-866-797-0000 Or **ServiceOntario** at: 416-314-5518
